not to be considered as compe-

majority of the Insurance

medical officer - would be the official superior of another asst surgeon attached to the Dt. It does not mean that the ^{first} asst surgeon will be entitled to any particular allowances - acting or ~~local~~ charge all as as Dt medl officer.

17. In the case that has given rise to the present discussion, it is not clear why Mr Azivatham (a sub asst surgeon) should ~~be~~ not have been appointed as Dt medl officer during the absence of Mr G. S. Krishnasami Iyer (a civil surgeon). The appointment would not have meant that Mr Azivatham acted in the grade of civil surgeon nor would it have given him any claim to a special charge, or acting or other allowance. It is only in the case of hospital assistants that Art 78 M.S.R. provides a special charge allowance of 30 Rs when they are placed in medical charge of a Dt.

18 Provided the man is fit to be placed in responsible charge of a Dt, & however temporarily, - and this he must be whether designated acting or in charge of current duties -

Serial
No.

There seems to be nothing lost in calling him a pukka DT medical officer for the time being. He will thereby be entitled to examine for insurance under the strict interpretation of the insurance rule no 19 as it stands.

19 The case would be analogous to ~~an acting Dy Commr~~ an acting Commr in charge of a DT exercising the powers of a pukka District Magistrate, though ~~unless he is gazetted to act as Dy Commr~~ the DT Magistracy carries no special rate of pay, & the man's allcs depend upon his tenure of the Dy Commship.

Under Rule 19 of the Mysore State Life Insurance Rules, the medical officer who examines a proposer should be "the District Medical Officer of the Government not below the rank of a Sub-Assistant Surgeon, provided that when the pay drawn by the proposer is not less than Rs.250, the medical officer shall not be below the rank of an Assistant Surgeon".

2. Mr. S.G. Asirvatham, Sub-Assistant Surgeon, having been placed in charge of the duties of the District Medical and Sanitary Officer of Mysore during the absence of Mr. E.S. Krishnaswamy Iyer, Civil Surgeon, on 15 days' leave in March 1908, the question has been raised by the Senior Surgeon whether an officer who is not appointed District Medical and Sanitary Officer, permanent or acting, but is only placed in charge of the duties of the office is competent to examine proposers for insurance under the rule quoted above. Col. Smyth is of opinion that such an officer is not competent to do so and requests that the rule may be suitably altered. The majority of the members of the Insurance Committee also agree with him.

*Paper under
disposal.*

3. The question having been considered in Council, the Council is of opinion that, for the reasons explained in the accompanying draft Government Order, the existing rule requires no change. The draft order may be approved.

was
 & Competent to examine proposals

 with rule 19 of the State Life

2. The Senior Surgeon states that
 the term "District medical

 to include any but an officer
 appointed permanently or to
 officiate as such. The majority
 of the members of the State Life
 Insurance Committee whose
 consulted as to how the rule in
 question ^{was} understood by them,
 express their concurrence with
 the Senior Surgeon.

3. That, however considered that,
 there being ^{no} such grade in
